Operating Certificate Overdue

A valid Operating Certificate is overdue for the equipment listed below at the location shown.

The reason(s) a valid Operating Certificate overdue is indicated in the **Due**, **Viol**, and **Fee** columns as follows:

- **Due** – The required annual or other inspection(s) have not been received. Please contact your elevator service company and a state-licensed inspector to schedule and complete any required inspection(s) as soon as possible.
- **Viol** – Notification that ALL reported violations have been corrected has not been received. Please return a signed and dated Inspections - Violations letter certifying all violations has been corrected as soon as possible.
- **Fee** – The fees due to obtain an Operating Certificate have not been received. Please pay the invoice for inspection and Operating Certificate fees as soon as possible.

Please contact your elevator service company and/or a state-licensed inspector to schedule and complete any required inspection(s) or assistance to resolve violations.

Failure to obtain a valid Operating Certificate may result in the shutdown of your equipment and/or assessment of fines.

You may make an online payment by following the instructions at this URL: <https://mo-dfs-equipinspect.azurewebsites.net/Payment>

If you need further assistance, please contact our office at (573)526-3660.

Location: Regional Arts Center - 6128 Delmar Blvd, St. Louis, MO 63112
